

# NATIONAL INDUSTRIAL SCALE ASSOCIATION

August 16, 2022

Dear Members:

All of us at NISA sincerely hope you and your families are healthy and well!

I am writing to inform the membership we have selected our location and dates. We will be hosting our Fall Technical conference at the Hilton Garden Inn in Grapevine, Texas. This location should make the commute very easy since the hotel is all of 10 min away from the Dallas-Ft. Worth airport. There is a complimentary shuttle going from the airport to the Hilton Garden INN if you call the hotel to schedule. Our Secretary Treasurer will be sending out the hotel link for you to book your stay at the Hilton Garden INN.

We ask the membership visit our website at [www. NISA.org](http://www.NISA.org) to pay for your membership fees if they aren't current already and pay for the conference fee. This is important because it helps us give the hotel a head count on what we can expect for attendees.

On behalf of the board, we thank all for the great turnout last meeting at the Spring Technical conference in Ft. Myers and we look forward to an even better conference in Texas!!

Sincerely,

Ryan Garnhart  
NISA President
