

NATIONAL INDUSTRIAL SCALE ASSOCIATION

July 12 2023

Dear Members:

I am delighted to formally announce our next NISA meeting.

We will host our Fall 2023 Technical conference in Clearwater Beach, FL, at the Holiday Inn & Suites 521 S Gulfview Blvd. Please visit nisa.org to take care of your membership and conference registration and sponsorships. You will also find links for hotel reservations and conference program on the nisa.org web site.

Many thanks for the work of the board members in pulling this meeting together, especially our Program Chair Chris Hartman who has a great program in process, VP Matt Davis who is pulling together the venue and the hospitality, and Michelle Saffert who is keeping everything straight as our secretary treasurer. We really appreciate everyone who joins, attends, and sponsors to make it all possible.

Everyone who joins and attends NISA is invited by someone. Invite someone to this meeting that can partner in this mutually beneficial organization. On behalf of the board, we look forward to a great meeting in Clearwater Beach. Hope to see you there.

Sincerely,

Paul Batson
NISA President 2023
